

# GAFFER KARRI PÖYKIÖ

+358 40 589 0558 | karri.poykio@gmail.com

I'm a professional gaffer from Helsinki, Finland. I have been working for the last 15 years on more than 30 feature films and over 200 commercials. I started working at the bottom line and stood there until I gained the necessary skills to start as the professional gaffer I am now.

I have been working throughout different scenarios along the several countries. From hot deserted areas to cold artic locations. Enriching not only my professional skills but also my readiness to work with in multicultural environments.
